Nanyang Polytechnic & ITE Medical Examination

Welcome

This appointment booking system is **strictly for NYP and ITE students only** to schedule appointments for their medical examinations and vaccinations as required by their schools.

Please click through the next few screens to select an appropriate time slot for your appointment.

On the day of the appointment:

- Students should bring along a printed copy of their medical examination form, their health booklet and be prepared to access their healthhub records during the visit.
- Students will undergo a physical examination, blood test (if applicable) and urine test. Please note that students undergoing immunisation during their appointment will be asked to return 5 days after the end of their period to perform their urine test.
- Students will be provided with a radiology request form which they will have to bring with them to one of the centres stated on the form to complete their chest X-Ray (if applicable). No additional payment should be made for the radiological cancer.
